JUCAD Jumbo Putter Grip, black

Item number	JPG3
Brand	JuCad
Category	Putter

Thick JUCAD jumbo putter grip in black: the large grip size quietens the wrists for a more consistent putting stroke.

Description

JUCAD Jumbo Putter Grip, black

A jumbo putter grip is much thicker than a standard grip. Many golfers putt more smoothly with it because the wrists are less active. The grip is made by the German trolley and accessories brand JUCAD.

We are happy to fit putter grips in our workshop in Erfurt, Germany.

- Manufacturer: JUCAD
- Jumbo size
- Colour: black
