Why Choose Ribbed Golf Grips?

The integrated rib on the underside helps golfers to:

- Position their hands consistently
- Improve clubface alignment
- Reduce shot dispersion
- Gain more confidence at address

Especially during technical training or for players struggling with grip consistency, the ribbed version provides a clear advantage.

Ideal For

- Recreational and competitive golfers
- Golf teams and clubs
- Clubfitters and repair workshops
- Pre-season preparation and winter service

With 13 grips included, this set is ideal for a complete iron set, including a spare grip.

Expert Tip

Worn or hardened grips reduce control and shot quality. Replacing your grips at least once per season improves feel, consistency, and overall performance.
