Power Play Juggernaut Draw Titanium Driver Clubhead, 515 cc

Item number	TM13751
Brand	Power Play
Manufacturer part no.	TM13751
Category	Driver

515 cc titanium driver clubhead from the Power Play Juggernaut series in Draw configuration. Clubhead only; shaft not included.

Description

The Power Play Juggernaut Draw is a 515 cc titanium driver clubhead in the Draw configuration. Its Draw design is intended to promote a corresponding ball flight. The beta-titanium face supports high ball speed and distance.

Important: this clubhead exceeds the permitted COR limits and does not conform to the Rules of Golf for official tournament play. Clubhead only; shaft not included.
