Callaway RAZR-Fit Ferrule .335

Description

This replacement ferrule was specially designed to fit the original Callaway RAZR-Fit Adapter. Works on drivers and fairway woods. The sleeve adapter that comes with the RAZR-Fit does not use a standard collared ferrule; it has a longer step and an odd outside diameter. Designed for a 0.335" shaft. *Note: this ferrule is designed to fit the factory original Callaway RAZR-Fit sleeve adapter, cannot guarantee fit on any other aftermarket sleeve. please note: unless its not clear verfified as original the product is an aftermarket product, to fit to the product. it is not an original oem product. the names and the brands are only used to give you a good referenz to the original products to find the right part for you.
