## Description

Junior Half Set; age 6-8 (1,30 till 1,45m) with Junior shaft blue, putter with steel shaft. Those clubs are optimized for kids and youngsters. The clubs have a special club construction with special shafts for certain age groups (or better: for the special hight of the youngsters). The woods have bigger heads for more self confidence and a bigger sweet spot. The irons have a wider sole and a low gravitiy center for a better flight angle.
Half Set: Wood #3 Iron # 5,7,9,PW (60°)
