Description

Golf Pride Tour Velvet Align Golf Grip

the most played grip worldwide on the tour, now available with the ALIGN Technology from Golf Pride to improve the clubface awareness und to bring more consistency into your game.

Raised Ridge:
When installed on a shaft, the red ridge rises and extends down the back of the grip to aid better hand alignment and more consistency, locking the hands in place every time

Improved Clubface Awareness:
ALIGN Technology locks in your hand placement for a consistent, square clubface throughout the swing, at address and impact.

Moderate Surface Texture:
State-of-the-art rubber blend for maximum playability, and a scientifically designed non-slip surface pattern with plus sign texture that pulls moisture away from the surface to allow for consistent traction in all conditions.
