Description

Golf Pride CP2 golf grips: control and comfort in Lady, Standard, Midsize and Jumbo sizes

Discover the Golf Pride CP2 golf grip – the perfect combination of high-performance technology and a pleasant, tacky feel for outstanding performance on the course. The innovative CP2 Pro® offers comfort and control like you have never experienced before. With Golf Pride's exclusive Control Core® technology, an inner core stabiliser specially designed to reduce torque, CP2 grips set new standards.

The larger lower-hand geometry, which simulates four extra layers of tape, encourages consistent pressure on the grip. With the CP2 golf grip, control fits in the palm of your hand.

Size	Colours	Weight*	Core size
Standard	•	50g	60 Round

Size	Colours	Weight*	Core size
Midsize	•	63.5g	60 Round
Jumbo	•	80g	60 Round

* Weight measurements may vary ±3.5 g

With the Golf Pride CP2 golf grip you experience ultimate control and unmatched comfort, whether you choose the Standard, Midsize or Jumbo size. Treat yourself to the best and improve your game with the CP2 golf grip.

Choose your fit: Golf Pride CP2 golf grips in different sizes

Comfort and control combined

Golf Pride CP2 golf grips are the result of the perfect symbiosis of high-performance technology and a pleasantly tacky feel. The innovative CP2 Pro® technology offers you not only superior comfort but also unmatched control over your golf club.

Exclusive Control Core® technology

Golf Pride's unique Control Core® technology is the heart of the CP2 golf grips. This innovative technology stabilises the inner core of the grip, reducing torque during your swing. The result: consistent and precise performance on the course.

Optimised hand geometry

CP2 golf grips have a larger lower-hand geometry that feels as if you were using four extra layers of tape. This special geometry encourages consistent pressure on the grip, ensuring optimum control of your club.

Sizes for every golfer

Whether you need Lady, Standard, Midsize or Jumbo size, Golf Pride CP2 golf grips offer a wide range of options to meet your individual needs. Choose your size and experience ultimate control and comfort on the course.

The perfect fit for a perfect game

With Golf Pride CP2 golf grips you can concentrate fully on your game, because control and comfort are not a compromise here, they are the norm. Discover your perfect fit and improve your game with Golf Pride CP2 golf grips.

Technical specifications

Here are the technical details of the Golf Pride CP2 golf grips:

- Standard size: weighing 50 g with a 60 round core, the standard size offers a balanced feel and optimum control.

- Midsize: weighing 63.5 g with a 60 round core, the midsize option is ideal for golfers who prefer a little more volume.
- Jumbo: weighing 80 g with a 60 round core, the jumbo size offers maximum grip surface and comfort for players with larger hands or who prefer a softer grip surface.
- Undersize: for golfers with smaller hands, the undersize option weighing 45 g with a 58 round core is the perfect choice for a comfortable and secure fit.

Improve your game today

Discover Golf Pride CP2 golf grips and experience a new dimension of control and comfort on the course. Whether you are an amateur or an experienced pro, CP2 golf grips will help you improve your game and enjoy golf more. Choose your size and get ready for the ultimate golf experience with Golf Pride CP2 golf grips.
